

## **ABL Meeting Info**

2nd Tuesday of the Month - 7pm

Torrent Brewing Company

504 Burnett Ave, Ames

### **Typical Meeting Agenda**

Discuss club business and events followed by a style of the month competition. Afterwards, we socialize and sample homebrew and commercial beer that people have brought to share.

## **Ever thought about brewing your own beer?**

The Ames Brewers League (ABL) is a club designed for people who enjoy brewing their own beer at home. Haven't brewed beer before? No problem! Our members range from those just getting started with extract brewing on the stovetop to all-grain brewers who built their own custom 10-gallon brew systems, and even pro brewers.

Even if you haven't started brewing yet, an ABL meeting is the perfect place to ask any questions you may have about getting started in this exciting and rewarding hobby. When you crack that first bottle of homebrewed beer, you'll be hooked! We hope to see you at an ABL meeting soon!!!
