

## Meeting Minutes – August 2017

8/8/17

Luke Hoekstra opened the meeting at 7pm. Scott Nelson was out of town. There were fifteen people in attendance at tonight's meeting.

Old Business:

Zach, Sebastian, and Mark all judged for the Iowa State Fair beer competition. Zach and Sebastian said they each judged several memorable beers.

New Business:

August 19th is the Cedar Rapids Beer Nuts Home Brew Festival. More information at

Or just look it up on Google.

Mead Day will be held again this Fall. More details will be announced as Autumn approaches. See Mark Simpson if you have any "pressing" questions.

The November meeting club style will be Porters and Stouts. This is one of the competitions where the club will purchase base grain/extract for dues-paying members. We will be distributing ingredients at September's meeting. If you are interested in participating and were not at the August meeting, please contact Luke Hoekstra to get on the list.

Mark has a few club t-shirts left from the last time the club purchased shirts. Mark said he will bring them to next month's meeting. John Murphy suggested we place another order for club shirts.

Flyers advertising our club meetings were also discussed. In the past these flyers have been distributed around Ames once the students get back. More information will be available on this at the next club meeting.

Chris and Sheri from C and S Brew Supply in Ankeny were also on hand for the meeting. Contact them and they can bring your order to our next club meeting.
